Hi Jorge/Salvador,

CD 10 is asking if the CD 10 CARE team can go back out to the Vision theater location first thing tomorrow morning to sanitize the sidewalk and street where we cleaned up today. I can add this on to the schedule if you need me to? I know the confirmation has already gone out.

They asked the fire dept but they said they don't usually do it, I said our ECI's would handle it.

Much Appreciated,

Renée
